

## A Note from Mrs. Loizos

### August 28, 2017

Thank you to the parents who were able to make it out for curriculum night last week. I hope you found it helpful and informative. If you weren't able to make it and you have any questions about what your child will learn this year, please feel free to call or email me to set up a conference. I am always available to meet in order to help your child be most successful.

Please be on the look out for Fun Run papers that will be coming this week. Please take the time to sign your child up and begin raising funds to help our school. The Fun Run is schedule for September 8. It is always a lot of fun and a great way for students to be involved in helping their school. We hope that many of you will be able to be part of that event, as well.

Interim reports and reading assessment results will come home this week. Please check the blue folder for these. If you have any questions or concerns about what you see, please let me know.

Please note that NEXT Monday is Labor Day and there will be no school.

Thank you,  
Jennifer Loizos  
jloizos@wcpss.net

## Important Dates

**August 29:** PTA Fun Run Begins

**September 4:** No school

**Birthdays:** David, Mason, & Nathan

## Spelling Words & Sentences

- |         |         |
|---------|---------|
| 1. hen  | 6. get  |

| 3. when | 8. well |
| 4. wet  | 9. red  |
| 5. yet  | 10. yes |

1. Do we like pets? Yes!
2. When did she get this shell?

## This week in...

**Reading:** We will act like detectives as we look closely at pictures and words to find details in fiction text.

**Math:** This week we will continue learning strategies to solve equations and word problems, but we will focus on subtraction. Please check out our class website for helpful videos.  
<http://loizoslockhartlions.weebly.com/>

**Writing:** Students will continue writing narratives. We will learn how to edit our own work, as well as helping our peers.

**Science:** We will continue our unit studying the moon and its phases (new moon, crescent, quarter, gibbous, and full moon).
